

Medium Term Planning

Year 6

Summer term

Parents have right to withdraw children from until skills highlighted in yellow- lesson 4

- Learning Objectives:**
- I can recognise some of the changes as they grow up e.g. increasing independence (what this may feel/look like)
 - I can discuss about the transition to secondary school and strategies to manage this change.
 - I can discuss how relationships may change as they grow up or move to secondary school
 - I can identify the links between love, committed relationships and conception
 - I can explain what sexual intercourse is, and how it can be one part of an intimate relationship between consenting adults

- Unit Skills:**
- I can explain the processes of reproduction and birth as part of the human life cycle
 - I can identify where to get more information, help and advice about growing and changing, especially about puberty
 - I can discuss the new opportunities and responsibilities that increasing independence and puberty may bring (contraception)

Vocabulary:

	I can...	Suggested learning opportunities	Evaluation	Resources
Lesson 1	I can recognise some of the changes as they grow up e.g. increasing independence (what this may feel/look like)	<p>Medway lesson 1 - recaps over puberty from year 4 + 5 looking at the physical and emotional changes. Focuses on the children thoughts and feelings in this stage as well as facts and myths.</p> <p>Medway lesson 2- Looks at the changes that occur alongside puberty and the childrens' feelings and responsibilities that are associated with change.</p>		<p>Medway resources year 6- lessons 1 +2</p> <p>Puberty and intimate relationships videos: https://www.bbc.co.uk/teach/class-clips-video/pshe-ks2--ks3-ask-lara/zmc3jhw https://www.youtube.com/watch?v=s8w2YVPMYs0&t=27s puberty introduction video http://www.socialworkerstoolbox.com/education-puberty-10-14yrs-old-</p>

				busy-bodies-adolescent-development-programme/ what happens during puberty
Lesson 2	I can discuss about the transition to secondary school and strategies to manage this change.	<p>The transition to secondary school powerpoint and lesson plan encourages lots of discussion (powerpoint may need to be jazzed up a bit to make it more exciting). The lesson covers differences and similarities between primary and secondary school, children's feelings about the move to secondary school and strategies to manage change.</p> <p>NSPCC- covers the transition to secondary school and children's feelings about the change. It also covers a good topic about changing friendships as some may be worried about this aspect.</p>		<p>BBC teaching resources/ videos about transition to secondary school - https://www.bbc.co.uk/teach/teacher-resources-for-students-transitioning-to-secondary-school/zb68y9q</p> <p>Young minds Transition to secondary school activities Video and resources: Find your feet https://youngminds.org.uk/resources/school-resources/find-your-feet-transitioning-to-secondary-school/</p> <p>Transition to secondary school powerpoint and lesson plan</p> <p>NSPCC two lessons (see folder): Changing friendships Secondary school</p>
Lesson 3	I can identify the links between love, committed relationships and conception	Medway lesson 3 - this lesson covers what a positive and healthy relationship could look like and how some may change over time. Use this lesson alongside the videos attached in the resources to talk more about what intimate means.		<p>Medway resources year 6- lessons 3</p> <p>Puberty and intimate relationships videos: https://www.bbc.co.uk/teach/class-clips-video/pshe-ks2--ks3-ask-lara/zmc3jhw</p> <p>Lots of videos linked to intimate relationships and consent</p>

				https://amaze.org/?topic=healthy-relationships
Lesson 4	I can explain what sexual intercourse is, and how it can be one part of an intimate relationship between consenting adults	<p>how pregnancy occurs i.e. when a sperm meets an egg and the fertilised egg settles into the lining of the womb</p> <ul style="list-style-type: none"> • that pregnancy can be prevented with contraception² • about the responsibilities of being a parent or carer and how having a baby changes someone's life <p>Medway lesson 6 – This lesson covers what is meant by 'intercourse' and how a baby can be made. It also talks about the responsibilities they have in terms of consent, intercourse and babies.</p>		<p>Medway resources year 6- lessons 4</p> <p>BBC- RSE- sex what is it all about? https://www.bbc.co.uk/teach/class-clips-video/rse-ks2-sex-what-its-all-about/zht8y9q</p> <p>Lots of videos on reproduction and puberty https://amaze.org/?topic=pregnancy-and-reproduction</p> <p>Yasmin and Tom - sex education and puberty</p>
