

# Our local area

**English**—We will write diaries linking to Shakespeare. We will also create information fact files about Oakley.

**Computing**—We will be creating a nature inspired graphic design scene using the computer programme Alice. We will also continue learning about Microsoft Word.

**Maths**—We will practise our 3x, 4x and 8x tables and related division facts.

**Music**—We will look at the Chinese lantern song understanding pitch and texture.

**R.E.**—We will learn about Christians' understanding of God, and how this compares to Roman gods and goddesses.

**PSHE**— We will look at how the internet is used, using the internet safely and online relationships.

**Art**— We will be using digital technology to create our own Roman mosaics.

**Science**— we will be learning about plants and how they reproduce.

**French**—The theme for this half term will be 'animals.'

**P.E.**—We will develop our skills in football. In gymnastics, we will start to sequence movements together.

**Geography**—We will undertake a local area study looking at settlements.
