

Maths

This half term, we will be looking at perimeter and consolidating our knowledge on addition and subtraction. We will also be focussing on Times Tables.

PE

This term we are going to be developing our running, jumping and throwing techniques in athletics. We will also learn striking and fielding skills in rounders.

PSHE

We will learn about different jobs and the skills needed.

French

We will begin to learn to say the days of the week, months of the year and numbers 1-31.

Science

In Science, we will be learning about how seeds are dispersed, pollination and carry out a fair test to investigate seed dispersal.

Year 3

Summer 1

Tremors

Geography

We will be looking at what causes volcanoes and focus on the Eyjafjallajökull volcano in Iceland and its eruption in 2010. We will look at how people can predict and prepare for volcanic eruptions.

RE

We will be learning about the Kingdom of God and focusing on the story of Pentecost

[BBC Volcanoes](#)

[Hit the Button](#)

English

We will be creating our own imaginary worlds and create non-chronological reports about them to share with Year 6. We will then focus on the book 'The Day the Crayons Quit' and write our own letters to persuade.

Computing

We will be beginning to use PowerPoint.

Music

We will be looking at pieces of music with short, repeated melodic patterns with a focus on pitch and structure.

Art

This half term we will be looking at different media to create pictures of volcanoes.
