

Year 4 Summer 1 Curriculum Map

English

In this unit, after investigating the book River Story and focusing on techniques used in persuasive writing. Following this, we will be creating our own persuasive leaflets and posters.

We will continue developing our narrative skills and begin to explore writing in the first person within this.

Science

We will be learning about food chains. We will look at how animals get the nutrition they need as well as how different animals exercise and how this benefits them.

Music

Our unit is a Rivers Journey, exploring pitch and minor scale patterns.

Who lived in Basing House ?

Maths

In Maths, we will be moving on to length and perimeter and continuing with our decimals work, looking at real life money and time. We will also be focusing on times tables getting ready for our year 4 Multiplication Check. In problem solving, our skills focus will be on looking for patterns.

PE

We will be doing Athletics and Basketball

Computing

We will continue with our Scratch programming and then look at Microbits.

History

In this unit, we will be looking at our local history study of Basing House. We will be considering who lived in Basing House during the 1500 Tudor times and the 1600 Civil war.

PSHE

In PSHE, we will be looking at health and wellbeing. We will learn all about healthy habits to support our physical and mental wellbeing. We will also look at what makes a healthy lifestyle and how to support each other.

French

In French, we will be start our topic at the café. We will learn how to order food items in French and participate in some role play of a French café.

RE

We will be looking at the Kingdom of God and considering the question— when Jesus left, what was the impact of Pentecost?

DT

In DT, we will be creating our own electrical torches.
