

Year 3
Autumn 1

Through The Window

Writing

We will be watching an animated narrative 'The man on the Moon' and we will be considering the characters in the film. We will then be writing narratives based on the 'The Tin Forest' by Helen Ward.

Maths

We will develop our fluency and reasoning of place value, revising our knowledge of hundreds, tens and ones. We will look at partitioning numbers and placing numbers on a number line. We will also begin to develop our fluency, reasoning and problem-solving using addition and subtraction and how to use different methods to solve these problems.

Science

We will be comparing how things move on different surfaces. We will be observing how magnets attract or repel each other and attract some materials and not others and know that magnets have two different poles.

Geography

We will be getting to know our school grounds and learning mapping skills whilst developing a sense of place and belonging. We will be comparing rural and urban areas of the UK.

Religious Education

We will research special places, including sacred places for Christians and other religions. We will also learn about the symbol of light and what this represents in the Christian faith.

French

We will start our exciting journey of learning a new language by learning how to introduce ourselves and say how we feel. We will also learn to count to 10 in French and read, write and say 10 colours in French.

Music

We will be looking at repeating patterns and identifying different rhythms as well as keeping a steady beat.

Art and DT

We will learn about 3D model making, considering the 'Angel of the North' sculpture by Antony Gormley. We will use sketchbooks to trial different techniques to plan our work. We will create our own Iron Man junk model.

PE

Outside PE - pupils will develop the fundamental skills of balancing, running, jumping, hopping and skipping.
Inside PE - we will be learning some gymnastics skills.

PSHE

Our theme will be 'Being me in my world'. In this unit we will be getting to know each other and creating a class learning charter.

Computing

We will be learning how to log on independently and use features of the computer.
